“

From my experience they (NFP), are one of our strongest partners on the pre-development and construction phases. When they are involved in any of our projects, I never had to worry about it!

"NV FIRE HAS BEEN GREAT TO WORK WITH. THEY ASSISTED WITH THE NUMBERS FOR MY BUDGET. DOING A LEASE-UP BUDGET, YOU MUST PRO-RATE THE COST AS YOU OBTAIN TCO FOR EACH BUILDING. I ASKED FOR THE BREAKDOWN AND THEY WERE EXCITED TO HELP. THEY PROVIDED THE EXCEL SHEET WITH THE COST AND IT MADE MY BUDGETING PROCESS SO EASY. GREAT RESPONSE TO INQUIRIES AND GREAT SERVICE. I LOOK FORWARD TO USING THEM AGAIN."

CLIENTS

"We learned our lesson!!! We have used Nevada Fire Protection for our fire alarm, fire sprinkler, CCTV and Access Control for all our projects for 15 years. There was a time when we decided to give another company a chance to do our work, AND WE LEARNED OUR LESSON! Nevada Fire Protection is attentive to our project start to finish. We are happy to recommend them!"
